

She Has the Child.

Mr. and Mrs. Manuel Buelna a short time ago secured a divorce and Mrs. Buelna took possession of their only child. The father did not like this procedure, and came from Nogales, took possession of the child, and placed it in the keeping of his mother at Sonora. Mrs. Buelna was grief stricken when she missed her child and hurried to Sonora, where she secured from the kind hearted mayor of that place permission to retain the child and take it to the American side. Mrs. Buelna started, with the child and a companion, for Tucson yesterday. Mr. Buelna, hearing that his former wife had gained possession of the child, immediately secured a Mexican companion and started out in hot pursuit of them. Buelna and his companion overtook the trio about fifteen miles from Tucson, made the male companion of Mrs. Buelna get out of the vehicle at the point of a revolver and would probably have murdered him had he not escaped to the brush about half a mile from the road. Mrs. Buelna and child were permitted to come on into Tucson, where they notified the officials. Buelna and his companion were placed in jail and will be examined this morning.—Star.

The generous rains that have so far favored this valley have infused the farmers with new life, and activity and courage. As a result scores of teams and plows and discs are kept busy late and early on the magnificent domain south of Mesa. Thousands of acres are being seeded to grain and with a reasonable continuance of the rainfall Mesa will turn out a larger volume of wheat and barley than has ever been known.—Mesa Free Press.
